Our Values

♦ We respect the wholeness of all persons with their spiritual, physical and mental manifestations, given and nurtured by our loving God.

♦ We embrace the gospel tradition of serving the sick and marginalized and promoting the fullness of life, health, and healing.

♦ We respond to our baptismal call to be present to persons who are ill in mind, body, and spirit, wherever they may be.

♦ We serve the health ministry mission in full compliance with diocesan expectations, and applicable laws, regulations, and health care standards of practice.

♦ We cooperate with available health care providers and community agencies to offer coordinated services of the highest quality.

What we are
A Heath Ministry is a faith-based health and wellness program that combines the skills of health professionals, clergy, and lay individuals to promote “health and healing as part of the mission and service of a faith community to its members and the community it serves.”

What we are not
Health Ministry does not practice direct or ‘hands on’ health care, nor will the ministry dispense or administer medications, blood tests or other invasive procedures. Health Ministry does not take the place of or compete with existing community or parish staff roles but is a partner with them.

The Health Ministry provides...
Health counseling
Health education
Community resource and referral information
Promotion of health for the whole person: body, mind, spirit
Volunteers who help carry out the mission of the ministry
Clarification and reinforcement of the close relationship between faith and health

*There are no fees for services

Our Mission
Based on the Diocese of Rochester Health Care Ministry mission and values, the Church of the Assumption provides healthful opportunities to promote spiritual, mental, and physical wellness.
The vision is for all to embrace health, healing, and wholeness to enhance their relationship with God.

Jesus said
“I came so that they might have life and have it more abundantly.” ~ John 10:10
